

DEAN

How was the meeting?

BETH

Mrs. Rubin's on a tear about trans fats in the cafeteria again.

DEAN

That woman needs a hobby.

BETH

I know. I'm gonna take a shower.

DEAN

Maybe after you can tell me why you stole a car and ditched it in a lake. Wanna sit down?

BETH

No.

DEAN

The FBI guy, he came back.

BETH

What did you tell him?

DEAN

Uh, I told him that I cheated on my wife. And She freaked out so she took my car on a joyride and trashed it after she went on a mini Canadian shopping spree.

BETH

Did he buy it?

DEAN

Yeah, he did.

BETH

Oh, good.

DEAN

I don't. So What the hell were you doing?

BETH

It's hard to explain.

DEAN

How about you try? -

BETH

I I -

DEAN

Were you smuggling drugs?

BETH

I didn't know what it was.

DEAN

How do you not know? You stole a car and went over the border with something illegal inside of it. You you could go to prison for that. We have kids.

BETH

We needed the money and we needed it fast! And I didn't know how else to get it.

DEAN

Maybe you get a job.

BETH

It was a job!

DEAN

I meant, like, Panera or something.

BETH

Don't yell at me.

DEAN

Sit down!

BETH

Don't yell at me.

DEAN

Sit down! Was it that bounce house guy? I mean, did he put you up to this?

BETH

What?

DEAN

You know, those guys, they just they prey on good, innocent people. They just rope them in. I mean, is that what happened? Or..

BETH

That's exactly what happened.

DEAN

I'm sorry I yelled at you. But look. Everything's gonna be fine.

BETH

Okay.

DEAN

I'm gonna take care of this. Nothing bad is going to happen to us. Okay?

BETH

Okay.

DEAN

Just stay away from that guy.

BETH

Okay. Dean.

DEAN

Yeah?

BETH

Thank you.
