

JUDY

Ooh, God, I gotta pee.

JEN

Then stop drinking so much water.

JUDY

Because I have so much dust in my throat. [coughs]

JEN

Well, then, drink some water.

JUDY

Okay. [gulps]

JEN

Oh, no. -Oh, no, no, no.

JUDY

-What?

JEN

Is my phone in my bag?

JUDY

What?

JEN

My phone. Can you look in my bag and see if my phone is there?

JUDY

No, I don't see it.

JEN

Oh, fuck, fuck, fucking fuck! I think I might have left it back there.

JUDY

What?

JEN

Yeah.

JUDY

You wouldn't do that. Why would you?

JEN

-I don't know.

JUDY

You must have it somewhere.

JEN

I don't. I fucking don't, Judy. We have to go back. Oh, my God, what if I left it in the hole?

JUDY

Oh, Jesus!

JEN

Oh, my God.

JUDY

Wait, I'll call it.

JEN

No, don't fucking call it!

JUDY

Why not?

JEN

Are you fucking insane?

JUDY

Why?

JEN

-f it rings in the hole, it's like a megaphone saying, "Hey everybody, there's a fucking body in here!"

JUDY

You're right, that's insane.

JEN

This is a disaster. This is a fucking disaster! This is a— Oh, here it is. We're fine. Fine.

JUDY

Oh, my God, is that for us?

JEN

Is it?

JUDY

How could it not be? It's right behind us.

JEN

I know. Um... I hate to say this, but we are two middle-aged white women in a Mercedes.

JUDY

I know, and I appreciate you acknowledging your privilege, but we also just buried a body.

JEN

Which nobody knows about.

JUDY

Shit. We have shovels in the car.

JEN

We were gardening.

JUDY

Oh, God, in the forest?

JEN

How do you think forest people get their food?

JUDY

Well, what, were we planting fruit trees in the forest?

JEN

Berries for foraging. Foraging! Say we were planting berries for foraging.

JUDY

We're berry planters. Got it. Oh, God. What kind of berries? Raspberries?

JEN

It's not raspberry season. Forget it, okay? Just don't say a word.

JUDY

-Okay.

JEN

-Don't say anything, Judy.

JUDY

-Okay, I won't. [panting]

JEN

Maybe I should just gun it.

JUDY

-You can't gun it.

JEN

-No, I think--

JEN

-Hi.

JUDY

-How are you?

POLICE OFFICER

Was it worth it?

JEN

-What? What was? Was what?

POLICE OFFICER

You committed a crime.

JEN

N-no.

POLICE OFFICER

You're driving. As soon as that phone is in your hand, you're committing a crime.

JEN AND JUDY

[both] Oh.

JEN

-I didn't know that.

POLICE OFFICER

What was so important you had to look at it while driving?

JEN

-[sighs] GPS.

JUDY

-Yeah, the maps. I couldn't...

POLICE OFFICER

You don't need the GPS. I can tell you where you are. Up shit's creek.

[laughs] I'm just messing with you. You're getting a ticket, though.

JEN

-Oh.

POLICE OFFICER

-You should've seen your face.

JUDY

-[Judy laughing] A ticket.

POLICE OFFICER

-License and registration.

JEN

-Yep, yep.
