

JEN

What's going on? What's going on? Judy, just tell me what's going on.

JUDY

The police have pictures of Charlie driving Steve's car, the ones that Parker took.

JEN

Oh, my God.

JUDY

They also have him on CCTV...driving the car the night it was burned.

JEN

Oh, my God.

JUDY

They think he did it, Jen.

JEN

No, no, no, no. What am I gonna do? What am I gonna do, Judy?

JUDY

Nothing.

JEN

Oh, my God.

JUDY

Listen to me. Nothing.

JEN

What?

JUDY

I'm gonna take the blame.

JEN

What? No, no, you're not.

JUDY

I'm not asking you. I'm telling you.

JEN

-Oh, fuck, no!

JUDY

You are going to let me do this. I need to do this.

JEN

Oh, my God, Judy. No.

JUDY

Yes. Listen to me. The night that Steve died...I was gonna kill myself.

JEN

What?

JUDY

But then you called me, and you saved me.

JEN

Oh, Judy.

JUDY

And maybe you saved me for a reason, so that I can do this for you now. You have a family. You have a life. Please let me do this for you, Jen. I'm responsible for all of this. If it wasn't for me, none of this would have happened. You're not responsible for Steve's death.

JEN

I am. Yes, I am.

JUDY

-No, you're not. He came here looking for me, and then he attacked you.

JEN

No.

JUDY

-Yes, it was self-defense, Jen.

JEN

-No, it wasn't.

JUDY

Yes, it was.

JEN

No, it wasn't, Judy.

JUDY

What are you talking about?

JEN

He was walking away. And he didn't attack me, okay? I attacked him.

JUDY

No, you said that he was strangling you.

JEN
No, I...I lied.

JUDY
You what?

JEN
I lied.I'm sorry.

JUDY
No, I don't understand why you--why would you do that? Why-- why would you kill him?

JEN
'Cause he was saying some really bad things, okay? And I got really angry and I... I just lost it.

JUDY
What did he say to you?

JEN
I can't-- it doesn't fucking matter.

JUDY
Yes, it does.

JEN
No.

JUDY
What did he say to you?

JEN
No, it doesn't--

JUDY
It obviously matters, 'cause you fucking killed him. What the fuck did he say to you?

JEN
He said that Ted jumped in front of that car! Okay? He said that he wanted to die because of me.

JUDY
-You know that's not true, right?

JEN
-It's true.

JUDY

No, it's not. None of that is true. That's just what Steve did. He wanted to hurt you. That's how he was.

JEN

No, he was right, Judy. I'm-- I'm a piece of shit. I'm a fucking piece of shit. Ted fucking hated me, my kids fucking hate me, I fucking hate me. Everybody just fucking hates me.

JUDY

I don't hate you. I could never hate you—

JEN

-Oh, God, that's because you love anyone who just gives you a morsel of fucking attention, even if it's abusive. It's like you get off on it or something. It's why you loved Steve and why you love your shitty, fucking asshole mother! You'll just stick around for anybody.
