

LITO

There were two worlds. I was living in in two separate worlds. Then... And then somehow they crashed into one another. And now everything is dead. Another (to waiter walking by).

BARTENDER

So are we celebrating or mourning? (sighs softly)

LITO

I'm celebrating.

BARTENDER

I know how you feel.

LITO

You do?

BARTENDER

I mean I don't know what it's like to be famous, but I know what it's like living two lives.

LITO

Do you know who I am?

BARTENDER

You're an actor, right?

LITO

Yeah.

BARTENDER

I knew it. I saw you in that telenovela where you had an evil twin that was trying to take over your life, right?

LITO

The Mirror Has No Heart.

BARTENDER

(chuckles) That's it. You were good in it and bad.

LITO

But that's what this is about, isn't it? The movie said something true about all of us, that we all have this other nature, this secret self that is capable of really beautiful and really terrible things.

BARTENDER

I, too, have a secret self. And right now it really wants to take you to that bathroom over there and do some beautiful and terrible things to you.

LITO

What are you doing? How can you possibly think that I could be like that? I'm not a faggot.
