

DON

How you doing?

MAGGIE

I'm doing all right, all rings consisted Considered.

DON

How much have you had to drink?

MAGGIE

I won't lie to you, Don.

DON

Yes?

MAGGIE

What?

DON

You said, "I won't lie to you, Don," and then you didn't say anything else.

MAGGIE

I've had a drink.

DON

A whole one?

MAGGIE

Yeah.

DON

That's too much for you.

MAGGIE

It is not.

DON

Come to 10:00.

MAGGIE

I really appreciate your offer, but I think you're offering it because I'm your girlfriend.

DON

What's wrong with that?

MAGGIE

You're supposed to say, "no, I'm not.

DON

You're just inexperienced. I will coach you up.

MAGGIE

I want to be a part of what Will and MacKenzie are trying to do.

DON

Will and MacKenzie are gonna fail.

MAGGIE

Jesus Christ, what's Just because the scenery fell down doesn't mean it's not a good play.

DON

Yeah, I don't know what that meant, but I'm not talking about tonight. Nobody's gonna watch a classroom. They'll either be bored or infuriated and you will bleed viewers. And my show with Elliot will get moved to 8:00. And at that point, I don't know that I'll be able to help you. It was your fault.

MAGGIE

Let's break up.

DON

What did I do now? -

MAGGIE

You were too supportive.

DON

Maggie

MAGGIE

I feel myself suffocating from your support.

DON

You want truth or support?

MAGGIE

Did you think I didn't know I fucked up? I've been saying it. I have \$45,000 in student loans to pay off, I spend three weeks' take-home on half a one-bedroom apartment the size of a toolshed, and I'm sitting alone at a bar with a drink that was made an hour ago. A good day is when I have quarters for a dryer. A bad day is when I blow a newscast. That's my spectrum. Support is what I wanted right then. And I think you're rooting for Will to fail. You just said it would be in your best interest

DON

Listen

MAGGIE

And I know he's not the cuddliest guy in the world, but he is trying to do good and he's risking a lot to do it, and you and Reese-

DON

Yeah, yeah. Let's break up.

MAGGIE

Don't no, don't go like this. I'm s I'm sorry. I said  
the wrong thing. Don Oh, I'm on fire today.
