

TONY

You still sound a little nasal, but you look better. Any cold pasta?

CARMELLA

There was some ziti, but it all got eaten.

TONY

The whole tray? From last sunday? Monsignor jughead was here.

CARMELLA

If you are referring to father intintola, yes, he was.

TONY

Hmm.

CARMELLA

He spent the night here.

TONY

Yeah, right.

CARMELLA

Okay.

TONY

The priest spent the night here. What happened? -

CARMELLA

Nothing.

TONY

Where was anthony?

CARMELLA

He was sleeping over at jason's.

TONY

The priest spent the night here, nothin' happened, and you're tellin' me this because--

CARMELLA

You might hear something, take it the wrong way. His car was out front all night.

TONY

You know what? This is too fucked up for me even to think about.

What'd you guys do for 12 hours? Play, uh,"name that pope"?

CARMELLA

He gave me communion.

TONY

Oh, i'll bet he gave you communion.

CARMELLA

Excuse me?

TONY

The guy spends the night here with you, and all he does is slip you a wafer?

CARMELLA

That's verging on sacrilege.

TONY

Oh, i didn't mean to verge.

CARMELLA

You think i'm lying?

TONY

I don't know, but the whole thing sounds--

CARMELLA

would i have told you about it voluntarily if there had been anything to be ashamed of? Do i look like the friggin' thornbird over here?

TONY

He's a fag. That's it. 'Cause otherwise, i gotta question what i'm hearin' here.

CARMELLA

Oh, tony, you are a sketch. Oh, by the way, your therapist called. Jennifer?

TONY

Carm. I just thought you'd think it was weird if i saw a woman psychiatrist, that's all. Carm, come on! It's just therapy, that's all. We just talk!
