

DR MELFI

I take no pleasure in the fact that i was right about your mother. You have any dreams since you heard the F.B.I. Tapes?

TONY

No. Some sex dreams. Involving-- my neighbor. Jeanne cusamano.

DR MELFI

Go on.

TONY

Well, we're doin' it, doggie- sty-- - you know jeanne.

DR MELFI

That's okay. Go on.

TONY

I'm doin' her doggie- style. And i finish, you know, and her big ass is-- oh, look, we don't got time for this shit.

DR MELFI

It's interesting that you would say a big ass, 'cause jeanne is quite slender.

TONY

We got bigger things to talk about than jeanne cusamano's ass.

DR MELFI

Like feelings of worthlessness, sparked by your mother's plot to have you killed?

TONY

One of the reasons that they tried to have me clipped is'cause i'm seeing a shrink. You.

DR MELFI

Oh. You know that patient- doctor conversation is privileged, and i couldn't testify against anybody.

TONY

Well, maybe they know that, and maybe they don't. Either way, they're using it as a fuckin' excuse.

DR MELFI

You never mentioned any of your associates by name! All except for that, uh, one fellow, uh, booty?

TONY

Pussy. Pussy!

DR MELFI

Pussy, booty-- i don't know his last name! And look, anything concerning your uncle junior--

TONY

All right, shut the fuck up a minute. You're in danger.

DR MELFI

Get outta here! That's not fair!

TONY

Fair? What are you talking about, fair? They don't give a shit about fair.

DR MELFI

Okay, what am i supposed to do?

TONY

Leave town. Today. Right now. I'm gonna get some guys here to stay with you until you get on a plane.

DR MELFI

I can't just do that! I have a life! I have patients!

TONY

Tell'em august came early.

DR MELFI

It doesn't work that way. I have patients who are suicidal.

TONY

They're not gonna feel any better about their life if you get clipped.

DR MELFI

Jesus fucking christ!

TONY

Look, i know. I'm sorry, okay? I'm gonna work on this problem with the people that pose a threat to you, and i'll take care of it, and you'll be able to come back.

DR MELFI

My god. People are gonna get murdered, aren't they?

TONY

Don't worry about distractions. You keep your eye on the ball. I know what you're thinkin'.

DR MELFI

You have no idea what i'm thinking.

TONY

You're thinkin' you're gonna go to the cops! But you can't give them anything.
Don't be stupid. Even in the short term. Get the fuck out of town.

You been a good doctor to me. Thank you.
