

DON - I just want to say, I think you're right. I think there is something weird going on here.

EMILY - Oh, yeah, no shit. I have seen that woman give massages before.

DON - What?

EMILY - Alex, she gave some random guy a fucking hand job at the massage parlor.

DON - You guys went to a massage parlor? When did you do that?

EMILY - I can't even... Just...Were you gonna let her touch you down there?

DON - Honey! Absolutely not. I was just saying that I think you're right. I think they do wanna, like, swing with us or something, and that is pretty crazy.

EMILY - Well, lucky you. See? You got your expansion now, right? This is what you wanted all night!

DON - That's not what I meant by expansion. I was talking about getting crazy with friends and meeting new people and having fun and maybe getting drunk or whatever. I didn't mean, like, fucking-other-people expansion. That's not what I...

EMILY - But you can't tell me you wouldn't have liked it, okay?

DON - I can't... I mean, that's irrelevant.

EMILY - I don't think it is.

DON - Yes, it is.

EMILY - I don't think that that's irrelevant at all.

DON - Why not?

EMILY - Stop! Let's just be brutally honest here for a second.

DON - Okay.

EMILY - Okay? Ooh! What would have happened if she had grabbed for your cock and I hadn't of been there, huh?

DON - I wouldn't have allowed it.

EMILY - Because you wouldn't have liked it if she had done it?

DON - Because I'm married to you, I wouldn't have allowed it. It's simple, so...

EMILY - Oh, my God, isn't that the perfect answer?

DON - Well, I don't know, maybe it is the perfect answer.

EMILY - That tells me, that tells me... What you just said tells me that the desire is still there. That tells me that a part of you thinks about what it would be like to be with other women.

DON - Come on! I mean... Honey...Oh, my God!

EMILY - Not that I think you would act on it. I mean, I trust you, I do, I really do. I really...I really trust you, but I think it just... It bothers me so much that that curiosity is there and it may never go away. It just might always live...live there.

DON - Curi... I never said I was curious. Honey, I never said I was curious. Oh, wait a second.

EMILY - I'm really tired.

DON - Oh!

EMILY - I'm feeling really tired.

DON - Oh! No, no, no.

EMILY - Let's just get out... This is not the time for...

DON - No, no, no...This is actually about you, isn't it?

EMILY - Honey, let's just get out of here.

DON - This is about you. This isn't about me, this is about you. You've been putting it all on me all night.

EMILY - What?

DON - You're the one that's been thinking about this, isn't it? The moment he whipped that thing out, you haven't been able to stop thinking about it. You're curious...

EMILY - Maybe I am curious, okay?

DON - Oh, really? Really?

EMILY - Maybe I am. I feel that it's weird that we have to jerk off next to each other come. And I really think that it sucks that you lust after another woman's breasts. This is a real thing and I don't think that we can deny it. I think that you think about other women and I think about other men.
