INT. STUDY HALL - NIGHT

ERNIE and HANNAH are studying together and think that (other than their nearby friends) no one can hear their conversation.

ERNIE

So anyway, I told Justin to hide up in our dormitory. I mean to say, if Potter's marked him down as his next victim, it's best he keeps a low profile for awhile.

HANNAH

But why would he want to attack Justin?

ERNIE

Well, Justin let it slip to Potter that he was Muggle-born.

HANNAH

And you definitely think Potter's the Heir of Slytherin?

ERNIE

Hannah, he's a Parselmouth. Everyone knows that's the mark of a dark wizard. Have you ever heard of a decent one who can talk to snakes? They called Slytherin himself "Serpent Tongue".

HANNAH

Harry always seemed so nice, though.  
And after all, he is the one who  
made You-Know-Who disappear.

ERNIE

That's probably why You-Know-Who  
wanted to kill him in the first  
place. Didn't want another Dark Lord  
competing with him.
