

RACHEL

...Got a splinter.

RAY

Where'd you get it? Come here.

RACHEL

[Heads over to Ray] On your porch railing...

RAY

Let me take that out.

RACHEL

Absolutely not!

RAY

Come here! Let me see it.

RACHEL

[Rachel shows him the splinter, trying not to let him grab her hand]

RACHEL

Dad, just look at it. Don't touch it... dad!

RAY

I can't... you're moving it.

RACHEL

Okay, but don't touch it! Just look at it.

RAY

...It's gonna get infected.

RACHEL

No, it won't.

RAY

Yes, it's gonna get infected.

RACHEL

No it won't!... When it's ready, my body'll just push it out.

RAY

Push it out, huh?

RACHEL

I read that... You should get Tivo. Tim got it for my room. It's awesome. I watch all my shows after homework.

RAY

Yeah, just put it on my, uh, platinum card... Robbie? Robbie!

[Ray dips a piece of food in the hummus, disgusted]

RAY

What... what is that?

RACHEL

Hummus.

RAY

Hummus?

RACHEL

From the healthfood place. Kept one of the menus last time we were here.

[Ray nods his head]

RACHEL

[Scoffs] You said order!

RAY

I meant order *food*.
