

[Erica Albright](#): I have to go study.

[Mark Zuckerberg](#): Erica...

[Erica Albright](#): [Harsh and angry] Yes?

[Mark Zuckerberg](#): I'm sorry, I mean it.

[Erica Albright](#): I appreciate that, but I have to go study.

[Mark Zuckerberg](#): Come on, you don't have to study, you don't have to study, let's just talk.

[Erica Albright](#): I can't.

[Mark Zuckerberg](#): Why?

[Erica Albright](#): Because it is exhausting! Dating you is like dating a StairMaster!

[Mark Zuckerberg](#): All I meant is that you're not likely to... currently. I wasn't making a comment on your appearance, I was saying that you go to BU. I was stating a fact, that's all. And if it seemed rude, than of course I apologize.

[Erica Albright](#): I have to go study.

[Mark Zuckerberg](#): You don't have to study.

[Erica Albright](#): [Exasperated and angry] Why do you keep saying I don't have to study?

[Mark Zuckerberg](#): Because you go to BU!

[Erica Albright](#): [Erica stares at him, furious]

[Mark Zuckerberg](#): Do you want to get some food?
