

BELLA

How did you get over to me so fast?

EDWARD

I was standing right next to you, Bella.

BELLA

No. You were next to your car, across the lot.

EDWARD

No, I wasn't.

BELLA

Yes, you were.

EDWARD

Bella, you hit your head. I think you're confused.

BELLA

I know what I saw.

EDWARD

And what exactly was that?

BELLA

You stopped the van. You pushed it away with your hand.

EDWARD

Well, nobody's going to believe you.

BELLA

I wasn't going to tell anybody. I just need to know the truth.

EDWARD

Can't you just thank me and get over it?

BELLA

Thank you.

EDWARD

You're not going to let this go, are you?

BELLA

No.

EDWARD

Well then I hope you enjoy disappointment.
