

INT. POLICE PRECINCT - DAY

Jake Peralta speaks to a colleague, unaware that CAPTAIN RAY HOLT is nearby.

JAKE PERALTA:

Sorry dude... But this new guy is gonna be another washed-up pencil pusher, who's only concerned with following every rule in the patrol guide. Meep morp zeep. Robot captain engage.

CAPTAIN RAY HOLT:

Is that what you think?

JAKE PERALTA:

He-hey! New captain alert. You must be the new C.O. I'm Detective Jake Peralta. Great to meet you.

CAPTAIN RAY HOLT:

Now don't let me interrupt. You were describing what kind of person I'm gonna be. I'd like you to finish.

JAKE PERALTA:

That's not necessary. Or I could recap very quickly, sure. Um, let's see. I think I said some joke about being a washed-up pencil pusher.

CAPTAIN RAY HOLT:

Now do the robot voice.

JAKE PERALTA:

Which...

CAPTAIN RAY HOLT:

The robot voice you were doing when you implied I'm a rule-following robot. I wanna hear it again.

JAKE PERALTA:

Meep morp... Zarp. Robot.

CAPTAIN RAY HOLT:

That's a terrible robot voice.

JAKE PERALTA:

Yep.

CAPTAIN RAY HOLT:

The next time I see you, I'd like you to be wearing a necktie.
