

SUMMER:

Hey Tom. Thought I might see you here. I always loved this place ever since you brought me.

TOM:

So, I guess I should say congratulations.

SUMMER:

Only if you mean it.

TOM:

Ah... well in that case...

SUMMER:

So, are you okay?

TOM:

I will be... eventually. You wanna...

SUMMER:

I like your suit.

TOM:

Thanks.

SUMMER:

You look sharp.

TOM:

So do you.

SUMMER:

Thanks.

TOM:

I quit the office.

SUMMER:

You did? I didn't know. That's great.

TOM:

And you... umm. You're married.

SUMMER:

Yeah. Its crazy huh?

TOM:

You should have told me. When we were at the...

SUMMER:

I know.

TOM:

At the wedding... and we were dancing...

SUMMER:

Well, he hadn't asked me...

TOM:

But he was in your life.

SUMMER:

Yeah.

TOM:

So why did you dance with me?

SUMMER:

Because I wanted to.

TOM:

You just do what you want don't you? You never wanted to be anybody's girlfriend, now you're somebody's wife.

SUMMER:

It surprised me too.

TOM:

I don't think I'll ever understand that.
I mean it doesn't make sense

SUMMER:

It just happened.

TOM:

Yeah, but that's what I don't understand.
What just happened?

SUMMER:

I just woke up one day and I knew.

TOM:

Knew what?

SUMMER:

What I was never sure of with you.

TOM:

You know what sucks. Realizing everything
you ever believed in is complete and
utter bullshit. It sucks.

SUMMER:

What do you mean?

TOM:

Oh, you know, destiny... soulmates...
true love... and all that fairy tale
nonsense. You were right. I should have
listened to you.

SUMMER:

No...

TOM:

What are you smiling at?

SUMMER:

No... umm.

TOM:

What are you looking at me like that for?

SUMMER:

Well, you know... I guess it was because I was seating in a deli reading Dorian Grey. I guy comes up to me and asked me about it... and now he's my husband.

TOM:

Yeah... and so?

SUMMER:

So... what if I'd gone to the movies? What if I'd gone somewhere else for lunch? What if... I'd gotten there 10 minutes later. It was meant to be. And I just kept thinking... "Tom was right."

TOM:

No...

SUMMER:

Yeah... I did. I did. It just wasn't me you were right about. I should go... but I am really happy to see that you're doing well.

TOM:

Summer, I really do hope that you're happy.
