

Liz Lemon: Hi. Um, I'm really sorry about what I did and I know that you can't forgive me, but... just to even things out, here is all of my weird secret stuff: I have been sexually rejected by – not one – but two guys who later went to clown college. I get super nervous whenever I hear a vacuum cleaner because, when I was a kid, my mom used to turn on the vacuum to drown out the sound of her and my dad fighting, which is why I rarely vacuum my apartment, like...never. I have had three doughnuts so far today. Once, in college, I pooped my pants a little bit at a Country Steaks All-You-Can-Eat buffet, and I didn't leave until I finished my second plate of shrimp. A couple of nights ago, I went on a date with my cousin. Wow, I am a mess. There is an 80% chance that, in the next election, that I will tell all of my friends that I am voting for Barack Obama, but I will secretly vote for John McCain. Oh, here's one: When I was a kid, I used to put on my fanciest nightgown and then I would mix orange soda and cream soda in a champagne glass and I would sit in the dark and watch The Love Boat. Consequently, I have some weird sexual fantasy stuff about Gopher from The Love Boat. And I...lied. I have had five doughnuts today. So uh, that's my deal. Now we're even.
