

PARENT:

I wanna talk to her, Billie. I have one last thing that I have to say to her. I just miss her so terribly... she was my reason for living. Baby, I am so sorry. I'm sorry because... most of the time that I was with you, especially when you were younger, I was just so overwhelmed. It wasn't easy being a single parent and you were such a handful, so I guess I forgot to say the things I was supposed to say but that I always felt in my heart. I am so proud of you, Addy. I admire you so for what you were able to overcome. And I think you're beautiful. Addy, I think you are the most beautiful girl I ever met.
