

**JIM:** I don't think I can do this.

I was just laying there last night in bed and I couldn't sleep. I was thinking about the wedding and the ceremony and all. Us buying a house and moving in together. Having a kid... Having another kid... *(begins to snowball)* ... Thanksgiving, Christmas, spring break, football games, all of a sudden they're out of school, getting jobs, getting married, and then, you know... I'm a grandparent. I'm retired. Before you know it – I'm dead... and I just kept thinking... "What's the point?" *(now asking Ryan directly)* I mean what is the point?
