

HANNAH

Dexter? What are you doing here?

DEXTER

I was in the neighbourhood.

HANNAH

Well, come on in. I'll make some coffee. Careful, it's hot.

DEXTER

Hannah, I wish I had more time, but I gotta get to work.

HANNAH

You know, I don't understand you, Dexter. I can't figure out what it is that you really want.

DEXTER

Nothing. I don't want anything.

HANNAH

You want something. You keep making excuses to see me.

DEXTER

They weren't excuses.

HANNAH

It's getting creepy that you keep coming by.

DEXTER

Creepy? You came to my place too.

HANNAH

Why don't you just save us both the trouble and spit it out?

DEXTER

I wanna take you out.

HANNAH

On a date?

DEXTER

That'll work.

HANNAH

Well, that's sweet. But I don't date. I get too attached.

DEXTER

Really? You don't strike me as the type.

HANNAH

Well, I'm not who people think I am.

DEXTER

So who are you?

HANNAH

On the inside? Probably still that 15-year-old girl who ran away with Wayne Randall. Except now I know better.

DEXTER

What do you mean?

HANNAH

I mean, he promised me everything. He was gonna take me to Disney World and Santa's Holiday Adventure. Some little Christmas-themed shithole just outside of Miami. You know it? It's the only place in Florida where you can see the snow. I was obsessed. Then we were gonna live in Argentina on a farm.....and have this picture-perfect life.

DEXTER

Sounds pretty good to me.

HANNAH

Yeah, it was all I could think about. I longed for it. I needed it, and I knew that until I had it... ..I would never be satisfied. The craziest part is that somehow I had myself convinced that Wayne... ..was the only one who could give it to me.

DEXTER

Wayne? Really? Why?

HANNAH

I had it in my head that he was the answer. That he was gonna fill the emptiness that I felt inside. So I didn't care when he turned out to be the bad guy. I didn't care if he shot somebody. I didn't even care if I ended up in juvie. Not until later anyway. It was worth it... ..just to hold on to the fantasy.

DEXTER

You still feel that way?

HANNAH

No, now I do whatever it takes to make sure I don't lose myself... ..like that again. But I do still wish I had gotten to see the snow.

DEXTER

You know I'm not Wayne, right? I'm not gonna land you in jail.

HANNAH

I still think it's a bad idea.

DEXTER

Then why did you come to my apartment?

HANNAH

You know why.

DEXTER

Go out with me. Come on, I'm just gonna keep stalking you.

HANNAH

I'm just-- I'm just trying to do the right thing.

DEXTER

Do the wrong thing.

HANNAH

Fine. One date. But if I end up in jail--

DEXTER

I'll pick you up at 8.
