

HANK

Skyler, my...my head is spinning. And yours...I... I can't even imagine. So much makes sense to me now. You jumping in the pool, you sending us your kids, I get it. I just wished I'd seen it sooner. He's a monster. He's a...Look, I don't know what he did to you to force you to keep his secrets. If he threatened you, or whatever mind games he played. I don't know if there was abuse. But I want you to know that you can be open with me. Don't hold anything back, okay? I mean, I don't even... understand if you know the full extent of this, what he's done. Not just the meth cooking, but the lives he's destroyed. But, look, that's all behind you. Starting now. You're done being his victim. Because here's what we're gonna do. Sky. Here's what we're gonna do. You and the kids are gonna move back to our house where you'll be safe, where he can't get to you.

SKYLER

Hank, does Marie...

HANK

No. No. We'll get to that soon enough. It's just you and me right now, okay?

SKYLER

Okay.

HANK

Before we, um, before we get you back to the house, I... I'm gonna ask you to tell me everything you can. Um, take as long as you like. Just, uh, start from the beginning when you first became aware of Walt's activities, and just... just try to be as detailed as you can.

SKYLER

Uh, what... Right... right here? Right now?

HANK

Sure. Why not? While it's still fresh, you know? And just, uh, just, uh, remember to, uh, just state your name and the date before you start.

SKYLER

Hank, do... Do we have to...have to do this right now?

HANK

No, we... we don't have to do this right now. No. But just here's the thing. You see, I need something solid that I can bring to my people. A statement, on the record. So you testifying to Walt's criminal activity, whatever you know, goes a long, long way here. Okay? I mean, you see, building a case this big, gathering all this evidence, enough to get a conviction, we're talking a long-haul proposition here, and I don't want that bastard running out the clock. But with your testimony...

SKYLER

Wait, what do you mean running out the clock?

HANK

His cancer. His cancer's back. So he said. He didn't tell you? Who's to say it's even true? Lying piece of shit. Look, regardless, I mean, we'll just assume. Fine. Okay? Hell, that son of a bitch looks me in the eye and he says if what I know is true, if... he'll be dead before I can prove it. The balls on that son of a... I got all these little pieces. They're all part of the story, right? But they don't mean much on their own. But when you start telling me what you know, when you start filling in the gaps, I'll have him in lockup before the sun goes down.

SKYLER

Hank, I... I... I think maybe... Maybe I need a lawyer.

HANK

What? No, no, no, no, you don't.

SKYLER

I... I think maybe I do.

HANK

Skyler, understand, I am here to help you. But to do that, I need your help. We start bringing in lawyers and they start putting up roadblocks where they don't need to be, and my ability to control this situation diminishes.

SKYLER

Just for my own protection, it just, you know, it seems to make sense that I should have someone to talk to.

HANK

Skyler, I'm your... your biggest advocate here, and I'm telling you, for your own good, you need to get out ahead of this thing. I mean, you start, you know, getting defensive, I... I'm not saying it's right, but I'll tell you it's a fact, the DA will look at you differently.

SKYLER

But you don't know that.

HANK

Skyler, yes, I... I do. I've been around long enough to know. It's in your best interest to get out there and show the world you have nothing to hide. Look... no one in the world is more important to me than your sister. So believe me when I tell you that your best interest and mine are the same.

SKYLER

But, Hank, you telling me not to talk to a lawyer doesn't sound like that at all. It sounds like what you want... What you want is to get Walt. At all costs.

HANK

Okay. Okay, let's just... Slow down. Slow down. You can... You can talk to a lawyer later. But right now, what we need to do, we need to go get the kids, we need to bring them to my house where they're safe, and then we need to help each other put this animal away, okay? Come on.

SKYLER

Hank.

HANK

No, come on. Let's go to the house and we'll deal with it there. Come on.

SKYLER

Am I under arrest?

HANK

What?

SKYLER

Am I under arrest?

HANK

Skyler, I... I... You're not thinking straight about this. You have to listen to me. I... Skyler. Skyler... Skyler... Skyler...

SKYLER

Am I under arrest?

HANK

No, no, no.

SKYLER

Am I under arrest?

HANK

No. Sky... shh.

SKYLER

Hank, are you arresting me?

HANK

Sky...

SKYLER
Am I under arrest?!
