BONNIE

CANDACE

BONNIE

(Opens door)

CANDANCE

CHRISTY

CANDACE
What are you doing.. with my daddy?

CHRISTY
Please tell me you didn't drive here like this.

CANDACE
I ubered. Wait a minute, I gotta give him a rating. 5 Stars. You get no stars.

CHRISTY
Come inside.

CANDACE
No stars!

CHRISTY
Sit down. You want to make her some coffee?

BONNIE
You want to keep her keep her awake, I think we should hit her over the head with the bat?

CHRISTY
Candace, Listen to me, I'm not dating your father to hurt you. I really like him.

CANDACE

You think you're so special don't you. But you don't know. He goes through with women just like.....

BONNIE

Kleenex?

CANDACE

No

CHRISTY

Underwear?

CANDACE

No

BONNIE

Potato Chips?

CANDACE

No... Kleenex

BONNIE

I said Kleenex

CANDACE

You're going to go out with him for a couple weeks, get some fancy dinners, have some presents, and then he's just gonna be on to the next girl.

CHRISTY

So why are you so upset by this?

CANDACE

Because it's you. It's just like.. you're getting all the attention from him that I never got.

CHRISTY

Candace, you are worrying for nothing

CANDACE

Really?

CHRISTY

Yeah, I promise you I'll make sure your daddy showers you with love and attention right after I become your new mommy. (CANDACE collapses). I didn't need a bat.
