

CHIDI

Eleanor? I'm Chidi Anagonye, and you are my soul mate.

ELEANOR

Cool, bring it in, man.

So where you from, Chidi?

CHIDI

Well, I was born in Nigeria, raised in Senegal, but my work took me all over the place Australia, Hong Kong, Paris. What about you?

ELEANOR

Uh, well, I I was born in Phoenix.- Arizona.
And then I went to school in Tempe, Arizona.
And then I moved back to Phoenix, Arizona.
Your English is amazing.

CHIDI

Oh! I'm actually speaking French.
This place just translates whatever you say into a language the other person can understand.
- So it's incredible.

ELEANOR

- Whoa.

CHIDI

And now I want to say this.
Eleanor.
I have spent my entire life in pursuit of fundamental truths about the universe.

And now we can actually learn about them together as soul mates.
It's overwhelming.

ELEANOR

Chidi.

You'll stand by my side no matter what, right?

CHIDI

Of course I will.

ELEANOR

Promise me.

Say, "I promise I will never betray you for any reason."

CHIDI

Eleanor, I swear that I will never say or do anything to cause you any
harm.

ELEANOR

Good.

Because those aren't my memories. I wasn't a lawyer.

I never went to the Ukraine. I hate clowns.

There's been a big mistake. I'm not supposed to be here.

CHIDI

Wait, what? (*POINTING TO VIDEO RUNNING*) Are you sure this isn't
you?

ELEANOR

Yeah, man, I'm pretty sure I wasn't a death row lawyer who collected clown paintings and rescued orphans.

They got my name right, but nothing else.

I mean, somebody royally forked up.

Somebody forked up.

Why can't I say "fork"?

CHIDI

If you're trying to curse, you can't here.

I guess a lot of people in this neighborhood don't like it, so it's prohibited.

ELEANOR

That's bullshit.
