

ONE

What up?

TWO

Hey brother.

ONE

Dude, are you following this New Orleans shit?

TWO

Yeah, it is fucked up, man. Do you mind if I sit?

ONE

Yeah, yeah, go ahead.

TWO

[sighs] So, Chris, I'm signing it.

ONE

What?

TWO

Yeah. I'm sorry.

ONE

What? How is that possible, dude? We were the guys! We were the guys that led the march around the building!

TWO

I know.

ONE

We're the two holdouts!

TWO

I know.

ONE

Dude, we drove to Chicago for that rally! Do you remember that fart? The Lingerer?

TWO

I remember the fart. I remember the Lingerer.

ONE

Remember the Vine we made about the fart? [imitates fart] "Ooh", remember that? Come on, dude!

TWO

Chris, this whole thing is getting really scary.

ONE

I know.

TWO

Do you know...Paige's cousin from Philly, her boyfriend? His brother organized a rally...and the CPUs came to his house and they just took him.

ONE

What?

TWO

Yeah.

ONE

Are you serious?

TWO

Yes. She hasn't talked to him in two days, fucking lawyers haven't talked to him. No one knows where he is, I don't know what's going on. Paige is freaking out.

ONE

Is this verified?

TWO

Is it ver... What do you mean, it's ver... I'm telling you right now. This is first hand.

ONE

Well, no... [sighs] It's not first hand. [stutters] It's like...- third hand.

TWO

I don't understand.

ONE

Well, it's not you...

TWO

Are you calling Paige... Are you calling Paige's cousin a liar? That'd be a fucked up thing to do!

ONE

I'm not calling Paige's cousin a liar, but maybe Paige's cousin's, whatever, friend's boyfriend's brother is a liar. I don't know, do you even know this person? [Laughs]

TWO

Do I even... Yes, I met at him at Paige's aunt's wedding!

ONE

Okay, we're really living in Paigeville it sounds like now, I just... I feel like maybe you're compromising your values system based off of information you're getting from someone you don't know very well. I think, you should maybe reconsider it.

TWO

This is a really difficult situation for all of us, okay? And you're making this really hard for me.

ONE

Hey man...I thought we were gonna do this together...but you got to do what's right for you.

TWO

I'm sorry. So, are you still gonna hold out?

ONE

Yeah, I think so. I mean...even if I wanted to sign, I don't think Kai would let me. You know.

TWO

Good for you, man. I'm living vicariously through you.

ONE

Stop it, come on, man. It's all good. All right.

TWO

All right, man.

ONE

All right.
