

MAN

What is happening? I don't understand how this is happening.

WOMAN

I don't know, but we gotta figure it out, okay?

MAN

Where is Sheldon? Where's Sheldon? Okay, fine. My phone is dead 'cause I had it on all night.

WOMAN

Okay, okay. Use mine. Use mine.

MAN

Yes, okay. Thank you. Fuck! The voice mail's full.

WOMAN

What?

MAN

Okay...Okay. Okay.

WOMAN

Hey, we can work this out. We can figure this out.

MAN

Gotta think, gotta think. I'm gonna say one thing quick. Fucking Pat did this. Pat called this in.

WOMAN

Come on, you don't know that and I don't believe that.

MAN

Okay, okay, then it was for sure his girlfriend. I'm gonna tell you something, you know I'm a feminist.

WOMAN

Yeah.

MAN

I waited in line for two hours so Roxane Gay could sign her book to you.

WOMAN

Yeah. She was brilliant!

MAN

Yeah. Abbie's a little cunt.

WOMAN

No! You're not using that word in this house. Okay, we have talked about that. You are not allowed to use that. You can use pussy, trash pussy but you cannot use that word.

MAN

Abbie's a trash pussy!

WOMAN

She's a trash pussy. If you say so, I agree with you.

MAN

Okay - But here's the thing. I just wanna say I told you this was gonna happen one day! One day, I said, they're gonna come to the home, they're gonna come to the home.

WOMAN

You were right.

MAN

And get Gestapo!

WOMAN

You were right, baby.

MAN

I think... I think we have one option and one option only. We don't say shit until we talk to Sheldon. Okay? Only option.

WOMAN

Okay, that is a good option. That is a very good choice. But here's another choice...

MAN

Mm-hmm.

WOMAN

Another idea.

MAN

Okay.

WOMAN

Just a random thought...

MAN
Okay.

WOMAN
I think it might work. Just answer their questions and they'll probably just leave. How about that? They'll probably leave.

MAN
No. No! I'm not being interrogated in my own home without a warrant!

WOMAN
First of all, you're gonna stop saying your own home okay? 'Cause this is our home that we raise our child in, okay? Now, I just wanna figure out a way to get these motherfuckers up outta here as quickly as possible.

MAN
This is not Nazi Germany!

WOMAN
You are so right.

MAN
Hello? Danke schn!

WOMAN
Thanks for the information!

MAN
Okay, all right. I got it.

WOMAN
But what are you gonna say?

MAN
I'm gonna teach them about something called. - The United States Constitution!
