HEROES REBORN 103

MURPHY

SCENE 1

Reveal two men, Murphy and Evans. They have the body language of cops, or military, but not in uniform.

They part to reveal a young woman tied to a chair.

CAPT. DEARDEN

Women are always the toughest. Either you tell me everything you know or I put a bullet in you.

Murphy and Evans don't react. A threat they are used to carrying out.

WOMAN

Go to hell. I'd be in an interrogation room with a lawyer if this was official. If you're cops---you're dirty. Bring me in or kill me.

The man's smile widens. He turns and knocks the woman back in her seat. She hits the ground hard and gets up running.

MURPHY

What the hell? Now we're out twenty-five large.

CAPT. DEARDEN

She'll lead us right to the others and we'll make even more money.

SCENE 2

Murphy waits in the shadows watching an apartment. Pulls out his walkie talkie.

MURPHY

Evans, Cap, this is Murphy. I'm across the street from the place.
Looks like we have five or six inside.

CAPT. DEARDEN

Copy that. I'm pulling up now.

MURPHY

Got it.
