INT. DEPARTMENT STORE - DAY

A SHIRT is placed on the counter in front of her by another customer. Rachel takes it mechanically and scans it.

RACHEL
Did you find everything you were
looking for today?

JASPER
I have now.

Rachel REACTS and looks up to see JASPER CHASE, smiling kindly at her.

RACHEL
Jasper! Hi.

JASPER
Hi there. Looks like you have a
lot on your mind.

RACHEL
Yeah.

JASPER
Have you decided what you're going
to do yet?

Rachel gives him a surprised look. How did he know? Jasper hands her the cash for his purchase

JASPER (CONT'D)
...you emailed me about the offer
you got, remember?

RACHEL
Oh, right. Sorry. Yeah, I don't
know what I'm going to do.

She rings up the order.

JASPER
Seems like a no-brainer to me. You
could leave this dump and do what
you love doing.

RACHEL
I know, I know... But every time I
start to tell them I accept, the
question comes up again.

(beat)
I just don't feel right about this,
and I don't know why.

JASPER

Do you really think Jesus wouldn't make a living out of singing? What about all the professional Christian singers? Do you think they're wrong to do what they're doing?

RACHEL

No, I don't think there's anything wrong about it, exactly... I'm just not sure it's what He would do in my position.

Jasper thinks about this, unsure of what else to say. He notices another CUSTOMER approaching and takes his shirt.

JASPER

Well, I'll let you get back to work. Call me when you get off. Let me know what you decide.

RACHEL

Sure. See you, Jasper.

Jasper gives her another smile, and walks away. As he reaches the door, he stops and looks back at Rachel helping the next customer. He smiles to himself and leaves.
