EXT. PAGE ESTATE - DAY

RON PAGE comes out from behind RACHEL WINSLOW's car.

RON
Boo.

RACHEL WINSLOW jumps, but recovers quickly and becomes annoyed.

RACHEL
Ron! Don't do that!

Ron clearly enjoys the result his little joke had.

RON
Sorry. Didn't think you'd jump
that much.

Rachel glares at him.

RACHEL
Goodbye, Ron.

She starts to open the door to her car, but Ron holds it shut.

RON
Hang on, Rachel. I wanna talk to
you for a sec.

Rachel just wants to get home.

RACHEL
(exasperated)
What?

Ron puts on a smooth persona.

RON
We haven't talked in a while. I
hardly ever see you any more.

RACHEL
Well, maybe you should come to
church once in a while.

Ron ignores this.

RON
How have things been?

RACHEL
Same as always.

RON
How's your mom?

RACHEL
Fine.

RON
How's work?

RACHEL
Fine.

RON
How's the love life?

RACHEL
Fine. Wait, no! No! I don't have
a love life!

Ron LAUGHS.

RACHEL (CONT'D)
Stop it!

RON
Sorry, but that was classic. So
you're not seeing anyone?

RACHEL
That's what I said.

Ron gets hopeful.

RON
Any prospects?

Rachel tries to open the car door, but Ron's still holding
it.

RACHEL
No. Now could you let go? I need
to get home.

He doesn't let go.

RON
Really? Well, how about that! I
don't have any prospects either.

RACHEL
Good. Now seriously. Let go.

RON

Here we are, two unattached twenty-somethings that have known each other since we were kids, had crushes on each other way back when...

RACHEL

(defensive)

I never had a crush on you!

RON

What about that time we pretended to get married?

RACHEL

We were five years old!

RON

Maybe it was a sign!

*

RACHEL

Are you hitting on me? Seriously?

RON

I was just reminding you of days gone by!

RACHEL

You're being creepy. Are you drunk or something?

Ron feigns hurt.

RON

Creepy? Drunk? Rachel, I'm hurt!

RACHEL

And I'm leaving.

FADE TO BLACK.
