

JOSH

Hey, what's happening? You okay?

DEV

I just watched Grant and Lila for a couple hours. Jesus. It was so crazy. They're just, like, running around and screaming and yelling, causing a ruckus.

JOSH

That's rough, man. That's why I enjoy being the uncle, you know? Like, 'cause you just show up. You hug 'em. You kiss 'em. You play with 'em. You make a mess. And then when they start getting gross and being dicks, you're like, "I'm getting the fuck out of here. - And you do. You leave.

DEV

Yeah. Yeah, I get why you and Kate don't have kids.

JOSH

Yeah, it can definitely be very nice. You know, we have a lot of time to ourselves.

DEV

Are you guys doing anything fun for the summer?

JOSH

Yeah, we are going to Italy. We rented a villa in the Amalfi Coast.

DEV

That sounds amazing. You know what Amanda and James are doing this summer? They're taking a trip to Costco Yeah, to buy a bunch of grape juice and diapers or whatever fucking kid shit they have to buy.

JOSH

I love Costco. They're nice to me over there. Like, they act like they know me, even though, like, thousands of people go in there every day. You know, they always are like, "Hey, that's that guy. I'm there a lot.
