

SHANNON

That's your big idea? You're just gonna leak the email? What are you, a dummy? You've got Danvers by the balls. They've been calling my office all day trying to set up a meeting so that he can sit down and apologize.

DEV

Shannon, I don't want to go there and be the Indian Al Sharpton and get some phony apology.

SHANNON

I don't give a shit about the apology. I mean, I don't care about your feelings. If this meeting goes well, you get the job, and it's a hit? I mean, I could show you David Schwimmer's house if you need to see what's at stake here.

DEV

I bet it's huge. He's made so much off Friends. Well, can't we get him to cast me and Ravi? Ravi?

SHANNON

Who the fuck is that? Is that the other Indian dude? I don't rep him. Therefore, I don't give a fuck about him. You need to get your shit straight first. Don't get pissed about one racist email and let it ruin your career long-term! You know how much racist stuff I've read about black people? Sexist stuff about women? If I forwarded all of those emails and got people fired, I'd be working here by my damn self. Don't fuck this up! [sighs] I'm trying to get this money, Dev. I'm trying to get this money, I'm trying to get this Friends money, and you fucking it up.

DEV

I'm not trying to fuck up your Friends money.

SHANNON

You better not fuck up my Friends money.
