

INT. PRISON.

MORGAN

Hi. How's Nolan? Is he OK?

STEVE

Yeah. He's fine. He's just, uh...confused. I'm sorry. I didn't come yesterday. I've been going over everything... in my head. It doesn't make any sense. I mean... I'm just trying to figure out why. The murder... You know...

MORGAN

I guess there's just something wrong with me.

STEVE

No... that's just... maybe it's just... like a psychotic incident. A moment. Happened once... that's it. So...what...what's going to happen now?

MORGAN

I give my statement. And they're going to take me to my hearing in a few hours.

STEVE

Ok. And then what?

MORGAN

Then I'm going to plead guilty.

STEVE

And that's it? You have to do something. What... what about a lawyer?

MORGAN

A lawyer can't defend me after doing what I did.

STEVE

Um... Ah...

MORGAN

Listen...do whatever you have to do now... because of what happened. Because you are going to have to move on. And this is not your fault. You are such a good husband to me. I never thought I would have the kind of life I had for a while. And I did. I really did. And it's because of you.
