

INT. SUBURBAN HOME - OFFICE - NIGHT

THOMAS returns home to find ALEX in his office. He's happy to see her, but suspicious.

THOMAS  
I've missed you, Alex.

ALEX  
Where have you been?

THOMAS  
Making preparations.

ALEX  
Because of Union Station? Was that...?

THOMAS  
No, that wasn't us. But it's not safe here anymore. I've arranged passage out of the country. We leave tonight. Together.

Alex avoids Thomas's gaze.

THOMAS (CONT'D)  
What's wrong? You seem different...  
(beat)  
What are you doing in my office?  
I've asked you to stay out of here, especially when I'm gone.

ALEX  
I was waiting for you. I wanted us to finally have some time together. It's been too long.

THOMAS  
Come here.
