TIM  
Drywall, insulation, wooden beam,  
steel beams, fixtures, name it.  
Our company has access to the  
highest quality, lowest cost, flame-  
retardant supplies for all  
residential and commercial  
builders. For all of you high end  
builders we have the first ever  
line of smart building supplies. I  
challenge any of you to find a  
better price or better product.  
Whether you are building your next  
office, school, home, mansion or  
skyscraper we want you to build it  
with supplies from MP Corp.

START

CONTRACTOR  
Two questions.

TIM  
Go ahead.

CONTRACTOR  
Your prices are so cheap, where do  
you get your supplies from?

TIM  
Well that is a trade secret and if  
I told you I would have to kill  
you. However between us let's say  
somewhere in China.

Tim laughs, after a short pause the others follow him with  
their laughter.

CONTRACTOR  
One last question. What kind of  
warranty do you have on your  
supplies.

TIM  
That is the best part. It is a  
lifetime warranty.

CONTRACTOR  
Lifetime?

TIM  
And then some. So do we have a  
deal?

CONTRACTOR  
Deal!

56 TIM SMILES INTO THE CAMERA.

END

CUT TO:

57 INT. GLORIA'S NEW CABIN HOME. DAY.

Gloria, she strokes her tummy, now six months pregnant, is  
sitting at a couch in her new cabin home that is still under  
construction. She picks up the letter that was inside Jack's  
envelope.
