

STEVE

You okay?

SCARLET

Yeah.

STEVE

What's going on?

SCARLET

When I first joined S.H.I.E.L.D. I thought I was going straight. But I guess I just traded in the KGB for HYDRA. I thought I knew whose lies I was telling, but I guess I can't tell the difference anymore.

STEVE

There's a chance you might be in the wrong business.

SCARLET

I owe you.

STEVE

It's okay.

SCARLET

If it was the other way around, and it was down to me to save your life, now you be honest with me, would you trust me to do it?

STEVE

I would now. And I'm always honest.

SCARLET

Well, you seem pretty chipper for someone who just found out they died for nothing.

STEVE

Well, guess I just like to know who I'm fighting.
