

*ONE and TWO have entered a room from opposite entrances. They have both immediately drawn their weapons on each other.*

ONE: What are you doing here?

TWO: What am I doing here?! What are you doing here?

ONE: I asked you first.

*Beat.*

TWO: I came looking for Patricia. *(Pause)* Your turn. Why are you here?

*ONE lowers his/her weapon.*

ONE: Same reason. I need her help.

TWO: ... her help? *(Lowers his/her weapon)* I thought... so we're... on the same side?
